

# Change Log v3.7

Release Date	Build
26th July 2011	3.7.11207.2

## New Feature

- Updated for Firefox v5 cache entries
- H110031 Force Shutdown on completion option added
- H110037 Now recovers "wyciwyg" entries for Firefox cache

## Bug

- H110032 Ampersands in licence name not displaying correctly
- H110036 Application slows down during pass one when large numbers of records are identified
