Bug

- [NET-750] - Hang during import of some corrupt/partially overwritten Internet Explorer v9 records

Release Date	Build	Download Link
2014-01-07	1.57.13352.5	NetAnalysis-v1.57-win32-1.57.13352.5.zip

Improvement

- [NET-341] - Improved support for parsing Google Chrome and Mozilla Firefox

Known Issues

NetAnalysis® v1.5x does not support USB dongle licences on Windows 8. An updated driver is required. Installing HstEx® v3.10 will update the driver allowing the USB licence dongle to be detected.
